## DeWit® Comby Hoe #1

With this line of Weed Warrior tools we have created a high quality range of products. This comby hoe #1 is made to dig in hard soil. By hoeing is the soil you are able to break it. The strong durable blade is good enough to dig up roots. The narrow tines on the top can be used as soil breaker and to smoothen the surface.

### Specifications

Item nr	Description	Weight	Size	Handle
