## Handplow large

The old school **plow**, used in the **vegetable gardens** decades ago. We make them again, great to use as a plow in the dirt but also great to make to planting and seedling rows in the vegetable garden. We do make a smaller version to. The **48cm** drop grip **handle** makes the tool perfect to work in raised borders and vegetable gardens.

### Specificaties

Item nr	Omschrijving	Gewicht	Formaat	Handgreep
