Planting trowel X-treme ash P-handle

Created from the best steel and by the best craftsman in the world. The steel is forged and hardened and the original DeWit finishing makes it to a perfect help in your garden. Unique on these DeWit trowels is the cutting edge, it's sharp as a razorblade from the top till the end. The P grip is designed for people who are suffering arthritis. You don't have to give up gardening, with the P grip tools you can use both hands.
